26-7-1948.

Resubmitted. The file mentioned at B on p.17 above is linked below for reference. This file deals with the particulars of the bonus paid to ryots for the cultivation of cereal food crops during the months of March and April 1946 under the scheme sanctioned in G.O.No.38 (Food), dated 4-3-1946. The Board has been asked separately to see that the payment of bonus in all the genuine outstanding cases is made as expeditiously as possible and to submit its report to the Government at an early date. The Board has already submitted separately a comprehensive report of the work done in 1946-47 on the scheme mentioned at K above.

As the action mentioned at K above is being pursued separately in the Linked file below, no action seems necessary in this file. The file contains important references and therefore the papers may perhaps be recorded. For orders.
